Quotes

"Our intranet is perfect because of Brikit software. I highly recommend it."

"Certainly, the best and more powerful theme and theme designer for Confluence."

"It's amazing how powerful Brikit Theme Press is."

"We actually deployed the second major release of our intranet! The feedback on Theme Press is perfect. Thank you for your excellent support and thank you all for your product!"

"I was able to set up a fantastic looking theme for our intranet site after just a day or two of moving down the learning curve."

"Brikit Theme Press is an amazing plugin. It allows Confluence theme customizations in ways I never thought possible."

HOW TO DO IT

Learn how to design, build, launch, and operate smart virtual workspaces, enterprise social networks, corporate intranets, employee portals, collaboration hubs, and more.

OUR PLATFORM

Brikit's top-selling software products transform Atlassian Confluence to accelerate employee on-boarding, retain company knowledge, and engage your entire organization.
