The screenshot shows the 'Available Workflows In Space' section of the Brikit Demo Splash application. The interface has a dark purple header with the 'SPLASH' logo and navigation links: LOCATIONS, PEOPLE, CULTURE, NEWS, and VANILLA. Below the header is a sub-navigation bar with links: Overview, Permissions, Content Tools, Look and Feel, Integrations, and Add-ons (which is highlighted). Under 'Add-ons', there are links for Available Workflows, Workflow Status, Review and Archive, Archived Pages, Scheduled Pages, and Audit Bandana. The main content area is titled 'Available Workflows In Space' and contains a table with columns: Name, Type, Visibility, Pages, Reviewers, Labels, Automatic, and Actions.

The screenshot shows the 'Search' interface of the Brikit Demo Splash application. At the top, there is a search bar with the text 'Portland' and a magnifying glass icon. Below the search bar, it says 'Showing 35 results (0.162 seconds)'. On the left side, there is a 'FILTERS' section with links for 'Collapse All' and 'Expand All'. Below this is a 'DEPARTMENTS >' section and an 'OFFICES >' section with a dropdown arrow. Under 'OFFICES', there are three items: Amsterdam, Barcelona, and New York, each with a small square icon. The main search results area shows a large image of a blue, textured surface. To the right of the image is the title 'Portland' with a small 'X' icon, followed by the link 'Brikit Demo Splash'. Below the title is a paragraph of text: 'Mustache organic ea deep v, yuccie chicharrones vinyl selfies. Austin dolore gluten-free four dollar toast crucifix sunt art party.
