THEME PRESS

Lumen Theme

Prompt

Built-in default theme, previous to Theme Press 3.0.

Definition

The Lumen Theme was included with Theme Press and set as the site default [theme](#) upon installation, through version 2.3.4. Built-in themes from 3.0 onward, include [Vanilla](#) and [Splash](#).

Changes could not be made directly to the Lumen theme. Instead, users could make a copy first, then [create a new theme](#).
