Theme Press Designer

Prompt

The control panel used for design, at the page, space, and theme level.

Definition

The Theme Press Designer is accessed from the [Confluence Page Tools Menu](#) by clicking the ellipses (...) button. Or, use [keyboard shortcuts](#), and press either the "." (period, full stop) or "," (comma) key on your keyboard.

The different tabs available in the Theme Press Designer include:

- Page Designer Tab
- Space Tab*
- Theme Tab

*The **Space Tab** was previously called the **Architect Tab**. (versions earlier than Theme Press 3.0.2)
