

Installing Pinboards

Installing Pinboards

Prompt

Installing Pinboards through the Universal Plugin Manager

Steps

Install Pinboards

- Follow the installation steps on [Installing and Uninstalling Apps](#)
 - (For step 4, type `Pinboards` in the app search box)

Note

Good to Know

- [Installation of Atlassian Confluence](#) is a requirement for Pinboards installation
- Check the [Pinboards Releases](#) page for compatibility information and download links
